Flour City

PHOTO BOOTH CO.

Venue spec sheet

What your venue coordinator needs to know before we arrive.

Footprint	30" wide by 38" deep
Height	84" (7 feet)
Weight	600 lbs. No stairs.
Door clearance	32" wide. Doors under 84" tall require tilt, so please tell us.
Power	One standard outlet within 25 feet, dedicated circuit preferred. We bring the cord.
Floor	Level and hard, indoor or fully covered. Runners and mat provided.
Load-in	Ground-level entrance, loading dock, or elevator. Parking near the door for a trailer.
Stairs	Not without a ramp, elevator, or loading dock.
Fits	Two on the bench comfortably, four if they are close
Prints	Instant 2x6 photo strips, printed in seconds. Dye-sublimation, lab-quality, dry on delivery. Two strips per session for weddings, one for private events.
Digital	Every session is saved. Private online gallery within 48 hours. Guests can send photos to their phone from the booth.
Setup	45 minutes; we arrive 1 hour before the rental starts. Teardown 30 minutes.
Attendant	No attendant required. We set up, test, and break down; our crew stays nearby.
